Who Is This Product Designed For?

- Investors with a Growth to Aggressive Growth risk profile (Risk Score 7-10).
- Investors who understand and accept single-sector concentration risk.
- Investors with a long horizon (7+ years) able to withstand sharp drawdowns.

Key Risks

- Sector concentration risk: performance is heavily dependent on the technology sector, unlike diversified equity funds.
- Valuation risk: growth/technology stocks can trade at high valuations, increasing sensitivity to rate changes and sentiment shifts.
- High volatility: historically larger drawdowns than broad market indices.
- Currency risk from non-USD revenue exposure of underlying holdings.
- Not capital guaranteed and not a deposit; not covered by SDIC.
