Who Is This Product Designed For?

- Investors with a Growth risk profile (Risk Score 6-8).
- Investors with a long-term horizon (5+ years) who can tolerate equity market volatility.

- Investors seeking regional diversification within Asia-Pacific.

Key Risks

- Market risk: equity values can fluctuate significantly, including sustained downturns.
- Currency risk: unhedged share classes are exposed to regional currency movements against the base currency.
- Emerging market risk: certain underlying markets have less developed regulatory and settlement infrastructure.
- Concentration risk: regional focus means the Fund is more exposed to Asia-Pacific-specific events than a globally diversified fund.
- Not capital guaranteed and not a deposit; not covered by SDIC.
